Dear Mr. /Ms.

As you know, on my vehicle was damaged in an automobile collision caused by your insured, . The evidence clearly shows your insured's negligence was the direct and proximate cause of my damages.

Due to the accident, the vehicle now has a documented vehicle history of being damaged and therefore has a lower resale value. Enclosed find a diminished value appraisal done by an independent adjuster indicating the vehicle has decreased in value.

I hereby request reimbursement for my vehicle's diminished value in the amount of
(this amount includes for the cost of an appraisal as it is an additional indirect loss).
I am reasonable and want nothing more than to be indemnified for my loss.

Please send payment within 15 days of receipt of this notice. My claim should be easy to resolve and I look forward to a prompt resolution. If there will be any delay in the processing of my settlement, please contact me immediately. I genuinely hope that we can resolve this matter promptly and look forward to your response.

Sincerely,

Enclosure: Diminished value appraisal
